

Congratulations KOMAL

Carer of the Year 2026
Caremark Kirklees

A huge congratulations to Komal for being awarded Carer of the Year 2026 by Caremark Kirklees!

Komal joined the **Displaced Worker Project** when she was seeking a fresh start and new opportunities in the UK.

Caremark Kirklees recognised her dedication and talent, and offered her sponsorship to join their team.

From opportunity to achievement – what an inspiration!

“

I am truly honoured and grateful to have received the Carer of the Year Award. Working in care has been one of the most rewarding experiences of my life. I enjoy supporting people to live comfortably and independently while treating them with dignity, respect, compassion, and kindness.

Winning this award means a great deal to me, and it motivates me to continue providing the highest standard of care. I would like to sincerely thank my managers, coordinator, colleagues, and everyone who has supported, encouraged, and believed in me throughout my journey. Their guidance and teamwork have played an important part in helping me achieve this recognition.

Thank you again for recognising my work. I truly appreciate it and am proud to be part of the Caremark team, where I have the opportunity to make a positive difference in people's lives every day. It is a privilege to work alongside such a dedicated and supportive team.

Komal

”

Well done, Komal!

Komal's journey shows the power of opportunity, support and determination. Her success inspires us all!

Thank you, Komal, for all that you do.

You make a real difference every day.
